

EHB - Connect App Tutorial

Go to <https://ehbconnect.app/>

The login screen features a light blue header with the text "Log in to start browsing projects". Below this, a message states "Please use your Canvas account to log in and access Connected." A prominent blue button labeled "Log in with Canvas" is centered. Underneath the button is a checkbox with the text "I have read the data guides and agree to the data processing." At the bottom, a link asks "Are you a Researcher? Click Here to login." with a text input field.

Log in to start browsing projects

Please use your Canvas account to log in and access Connected.

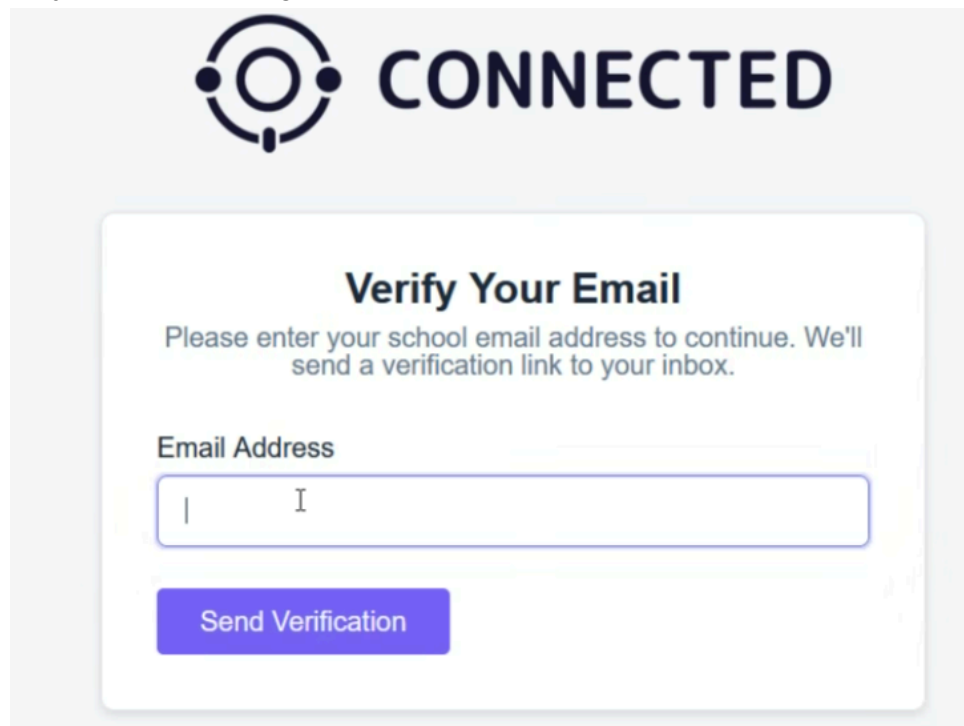

[Log in with Canvas](#)

☐ I have read the data guides and agree to the data processing.

Are you a Researcher? [Click Here to login.](#)

Login in with Canvas.

Vul je email adres nogmaals in om deze te verifiëren.

The verification screen displays the "CONNECTED" logo at the top. The main heading is "Verify Your Email", followed by the instruction "Please enter your school email address to continue. We'll send a verification link to your inbox." Below this is a label "Email Address" and a text input field. A blue button labeled "Send Verification" is positioned at the bottom.

 **CONNECTED**

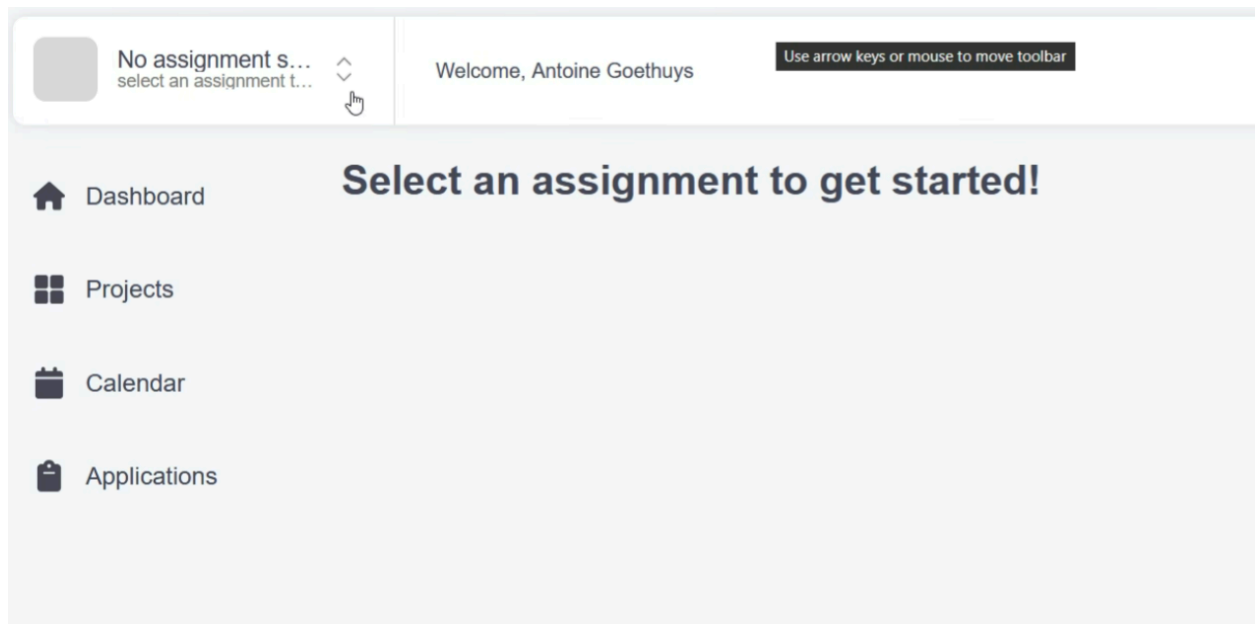

Verify Your Email

Please enter your school email address to continue. We'll send a verification link to your inbox.

Klik vervolgens links boven en selecteer Final Work onderwerp

Als je zelf een project wilt aanmaken kan je op “create project” klikken

Vul vervolgens zo goed mogelijk de project description in + teamsize en benodigde skillset om deel te nemen aan jou project.

The screenshot shows the 'Create a project' form in a web application. The top navigation bar includes a user profile '[INFO] Final wor... Final Work T13', a welcome message 'Welcome, Antoine Goethuys', and a tooltip 'Use arrow keys or mouse to move toolbar'. The left sidebar contains links to 'Dashboard', 'Projects' (highlighted), 'Calendar', and 'Applications'. The main content area is titled 'Create a project' and contains three sections: 'Title' with a text input field containing 'test', 'Short Description' with a text area containing 'Description of your project', and 'Project Description' with a rich text editor containing 'Type Here...'. The rich text editor has a toolbar with icons for bold, italic, underline, link, unlink, code, quote, list, and table, as well as a 'Heading' dropdown and a 'Link' icon.

Heb je zelf geen idee? Dan zullen de mogelijke projecten in de projects folder opduiken eens deze gesubmit en goedgekeurd zijn door de docenten.

The screenshot shows the 'All projects' view in a web application. The top navigation bar is identical to the previous screenshot. The left sidebar is the same. The main content area has a header with two tabs: 'All projects' (active) and 'Global projects'. Below the tabs, there is a large empty space, likely intended for a list of projects.
